Letter q

Copy the letter carefully, then try it three times without any help.

q Q

Curly caterpillar letters

MATHS

Missing number

Count along and find the missing number.

11 · 12 · 13 · ? · 15

ENGLISH

Odd one out

Look at the three letters. Which one is the odd one out, and why?

v	w	x

Teacher copy — Term 3, Week 26

Answers and curriculum notes. Not for the child pages above.

Mon — Letter z

Phase 3 grapheme. z is one of the 'Zigzag letters'. Start at the top — straight lines and sharp points, no curves. Say the sound as you form it.

EYFS ELG: Fine Motor Skills — hold a pencil effectively; begin to form letters correctly

Tue — Number bonds to 5

Answer: 3

Bonds to 5. Build it with real objects (a ten frame or counters) before asking for the number.

EYFS Mathematics: Number — automatically recall number bonds up to 5 (and some to 10)

Wed — Letter q

Phase 3 grapheme. q is one of the 'Curly caterpillar letters'. Start at the top and curl back round, just like a c. Say the sound as you form it.

EYFS ELG: Fine Motor Skills — hold a pencil effectively; begin to form letters correctly

Thu — Missing number

Answer: 14

Say the sequence aloud together first, then find the gap.

EYFS Mathematics: Number — verbally count beyond 20, recognising the pattern of the counting system

Fri — Odd one out

Answer: x

There is more than one right answer here if the reasoning is sound — ask "why?" rather than mark it right or wrong.

EYFS ELG: Word Reading — recognising letters and the sounds they represent
