fish

Teacher copy — Term 3, Week 26

Answers and curriculum notes. Not for the child pages above.

Mon — Tricky word spellings

Answer: where, love, come

Y1 statutory common exception words (National Curriculum, English Appendix 1). These do not follow regular phonics patterns, so they are learnt by sight.

Y1 NC English: Spelling — common exception words

Mon — Counting in 10s

Answer: 40

Counting in multiples of 10. Say the sequence aloud, clapping on each number, before writing the answer.

Y1 NC Maths: Number — count, read and write numbers; count in multiples of 2, 5 and 10

Tue — Super sentence

Any sentence that uses the word correctly and makes sense counts — listen for capital letter, full stop, finger spaces.

Y1 NC English: Writing composition — sentence demarcation with capital letters and full stops

Tue — Quick maths

Answer: 16, 14, 20, 16

Addition and subtraction facts within 20, Y1 National Curriculum. Encourage counting on/back rather than counting from 1 each time.

Y1 NC Maths: Addition and subtraction — represent and use number bonds and related subtraction facts within 20

Wed — Tricky word spellings

Answer: where, love, come

Y1 statutory common exception words (National Curriculum, English Appendix 1). These do not follow regular phonics patterns, so they are learnt by sight.

Y1 NC English: Spelling — common exception words

Wed — Counting in 10s

Answer: 40

Counting in multiples of 10. Say the sequence aloud, clapping on each number, before writing the answer.

Y1 NC Maths: Number — count, read and write numbers; count in multiples of 2, 5 and 10

Thu — Super sentence

Any sentence that uses the word correctly and makes sense counts — listen for capital letter, full stop, finger spaces.

Y1 NC English: Writing composition — sentence demarcation with capital letters and full stops

Thu — Quick maths

Answer: 18, 16, 22, 18

Addition and subtraction facts within 20, Y1 National Curriculum. Encourage counting on/back rather than counting from 1 each time.

Y1 NC Maths: Addition and subtraction — represent and use number bonds and related subtraction facts within 20

Fri — Super sentence

Any sentence that uses the word correctly and makes sense counts — listen for capital letter, full stop, finger spaces.

Y1 NC English: Writing composition — sentence demarcation with capital letters and full stops

Fri — Number bonds to 20

Answer: 15

Bonds to 20, within the Y1 National Curriculum range (to 20). A ten frame or bead string supports this well.

Y1 NC Maths: Addition and subtraction — number bonds within 20

Fri — Animals, including humans

Answer: has feathers and lays eggs → bird, wet skin, lives near water → amphibian, scaly skin, cold-blooded → reptile, fur and feeds its young milk → mammal, gills and fins → fish

Y1 Science: Animals, including humans. Talk through each match — the reasoning matters more than the line drawn.

Y1 NC Science: Animals, including humans — identify and name a variety of common animals
